

Message from the Managing Director

A Vision Built on Integrity and Local Innovation.

"When I founded **SAT Holdings Pvt Ltd**, my goal was simple: to create a foundation of excellence in construction and trading that could support the growth of our nation. As we evolved, that vision expanded.

From providing renewable energy solutions at **SAT Energy** to securing our food future at **SAT Green Agro**, and now manufacturing essential home appliances under the 'Made in Sri Lanka' label at **SAT Electronics**, our journey has been defined by one thing—commitment. Alongside my co-director, Mrs. Thilini Lokugamage, we have steered this group to become a multi-industry leader. We don't just build businesses; we build solutions that empower the Sri Lankan people.

Thank you for being a part of our journey."

— **Mr. Anura Lokugamage** *Managing Director, SAT Holdings Group*

Our Vision

"To be the premier multi-disciplinary conglomerate in Sri Lanka, recognized for transforming the nation's landscape through local manufacturing, sustainable energy, and innovative infrastructure."

Our Mission

"Under the leadership of Mr. Anura Lokugamage, the SAT Group is dedicated to:

- **Empowering Local Industry:** Elevating the 'Made in Sri Lanka' label by manufacturing high-quality home appliances at SAT Electronics.
- **Powering Sustainability:** Contributing to the National Grid through large-scale renewable projects like our 500kW Tangalle solar plant.
- **Building Foundations:** Delivering excellence in construction and global trading through our flagship entity, SAT Holdings Pvt Ltd.
- **Nurturing Life:** Advancing food security through technology-driven agricultural practices at SAT Green Agro.
- **National Contribution:** Operating with integrity to create jobs, reduce import reliance, and drive economic prosperity for all Sri Lankans."
